THE COURSE

DURATION VIA RPL: A complete RPL assessment process may be achieved in 30 working days if all requirements are met
DURATION: Maximum 24 Months
ENTRY REQUIREMENTS: Nil

Successful completion of this course will provide you with the theoretical, practical and compliant skills, knowledge and abilities to successful implement and action Risk Management Systems and Processes, Reduce occupational hazards and allow your workplace to be safe. It will provide you with the educational tools to support your co-workers and demonstrate compliant OHS practices.

This Qualification can give you a competitive edge in current and future job prospects and even allow you to become the Company OHS/WHS Manager.

ALREADY INDUSTRY EXPERIENCED?

We acknowledge the skills you've gained through work and life experiences by offering Recognition of Prior Learning (RPL), reducing the time it takes to complete your qualification.

LET'S GET YOU QUALIFIED!

Your Trainer & Assessor will conduct a Pre-Qualification Interview and onsite RPL Assessment; gathering your work history, experience and goals. If any gaps in knowledge and/or skills are identified, further training and assessment will be provided.

TRAINING & ASSESSMENT METHODS

Skills and knowledge assessments are an essential step in progressing through your course. You may be assessed in several ways while you are studying with Fresh Start Education, including:

- ✓ Observation
- ✓ Workplace Delivery
- ✓ Online Learning at your own pace
- ✓ Mixed-Mode Delivery
- ✓ Workshop and Classroom
- ✓ Work Samples/Evidence
- ✓ Third-Party Supervisor Verification

COURSE STRUCTURE

Fresh Start Education deliver relevant industry training and assessment that provides you with the skills, knowledge and experience to achieve this Nationally Approved and Accredited Workplace Health and Safety qualification.
