THE COURSE

VIA RPL: RPL assessment process may be achieved in 30 working days if all requirements are met.

DURATION: Maximum 24 months.

ENTRY REQUIREMENTS: Nil, white card required

Successful completion of this qualification may enable you to undertake painting and decorating for residential and commercial construction work.

This qualification is the minimum requirement for obtaining a painter and decorating licence.

It is imperative that you speak with our industry experts and check with the relevant authority **before** enrolling, as the completion of this qualification does not guarantee a licenced outcome.

ALREADY INDUSTRY EXPERIENCED?

We acknowledge the skills you've gained through work and life experiences by offering Recognition of Prior Learning (RPL), reducing the time it takes to complete your qualification.

GET QUALIFIED!

Your Trainer & Assessor will conduct a Pre-Qualification Interview and onsite RPL Assessment; gathering your work history, industry experience and future goals. If any gaps in knowledge and/or skills are identified, further training and assessment will be provided.

TRAINING & ASSESSMENT METHODS

Skills and knowledge assessments are an essential step in progressing through your course. You may be assessed in several ways while you are studying with Fresh Start Education, including:

- ✓ Observation
- ✓ Workplace Delivery
- ✓ Online Learning at your own pace
- ✓ Mixed-Mode Delivery
- ✓ Workshop and Classroom
- ✓ Work Samples/Evidence
- ✓ Third-Party Supervisor Verification

COURSE STRUCTURE

Fresh Start Education deliver relevant industry training and assessment that provides you with the skills, knowledge and experience to achieve this Nationally Approved and Accredited Building & Construction qualification.

Our course content has been purposefully developed to be future-focused, complete with current industry topics that are practical and relevant to your trade.

To achieve this qualification, you must demonstrate competency in 29 units of competency; comprised of 22 core units and three elective units.

During your RPL Assessment with your allocated Trainer & Assessor, you will have the opportunity to discuss such electives and determine the best choices for your desired pathway and goals.

To make sure this is the right qualification for you, please review the units of competency listed below to ensure that your scope of works meets the requirements of the qualification.

To view the CPC30620 units and electives, please visit our website; www.freshstart.edu.au
